

Pastor Search Committee Report – April 16, 2018 Business Meeting

The Pastor Search Committee has continued to review resumes and talk with job applicants who have applied for Colosse's Senior Pastor Position. Many of the applicants don't meet the requirements defined by the church or the job expectations included in the job posting.

The committee has received numerous resumes from applicants that live in other States. This poses somewhat of a problem since visiting to hear these pastors preach is not easily doable without incurring travel costs. We are fortunate that with today's technology, many of these pastors have sermons online and we have been able to hear them preach.

The pastor search committee asks the church to continue praying that we will be able to find the leader that God wants for our church. The committee appreciates your patience as we continue to work through the interview process to find our new leader.

Prayerfully Submitted by,

Lewis Redman, Chair; Rose Rice, Vice-Chair, Glenn Ransone, Sue Mundy, Crystal Hogge, Chip Combs, Jeff Walton, and Mark Townsend.
